Group Class Information

In our group couples massage classes, you will learn to massage better, firmer, more gracefully and intuitively in a fun, safe, and relaxing class environment. While the classes do require two people, and have a high number of romantic couples attending, attendees do not need to be romantic partners. Friends, families, and anyone interested in learning the enviable skill of giving an excellent massage, is welcome. Likewise, this class is open to all ages and types of couples. We have only one requirement of you: be a loving human being who is ready to give to your partner, as well as receive. You will remain clothed during class but we recommend you dress with loose fitting clothes such as shorts and a t-shirt. Hurry, room is limited to a max of 4 couples per group.

Private Lesson Information

You and a partner learn to give a world class massage with one-on-one instruction. Because of the personalized instruction you will receive in a private lesson you will learn up to two times more than in the group class environment. This private lesson is a great way to celebrate your partner, giving you both a unique and fun bonding experience as well as “a date that keeps on giving”.
